QUARTERLY PROGRESS REPORT

JANUARY - FEBRUARY - MARCH 2004

HIV/AIDS & STI PREVENTION AND CARE PROGRAMME

**MINISTRY OF HEALTH
NATIONAL CENTER FOR HIV/AIDS, DERMATOLOGY AND STD**

EXECUTIVE SUMMARY

For the first quarter of the year 2004, the overall disbursement of DFID, funds were 47.1 % in support of implementation of the provincial and national activities.

I - ACTIVITIES AT THE PROVINCIAL LEVEL

64% of the first quarter budget approvals were spent to support the implementation of activities in the 19 Provinces funded by DFID. IEC, 100% CUP and Outreach Activities was strengthened in the 19 provinces. Management and coordination structures were strengthened with 19 PPU's created through MoUs and functioning. The implementation of continuum of care for PLWHAs were extended to other provinces. STI services were improved.

Project implementation in four ADB-funded provinces (SVR, PRV, BTB and KHK) and 1 CDC-GAP funded province are going well as planned. 84% of quarterly budget approvals were spent to support their activities in these four provinces.

II - NATIONAL ACTIVITIES

To strengthen the implementation of programme at both levels, a set of national activities were implemented at NCHADS. These are including the following:

IEC, BCC AND 100% CONDOM USE PROGRAMME

Eight different types of IEC material consist of leaflets, posters and booklets are in the process of printing. 12 pieces of billboards were set up in Phnom Penh, Kandal, Takao, Kampong Speu and Kampong Cham.

To be effective in development of IEC material, BCC Unit of NCHADS conducted the workshop on identify of IEC need with provinces (KRT, SHV, KCM, KPT, KDL), IEC action, RHAC, CHEMS and NCHADS units.

To re-enforce the implementation of outreach programme, five co-ordinations meetings were conducted in Kg.Speu, Kg.Cham, Pailin, Battambang and Bathey Mean Chey to share experience and lessons learned on the implementation of the programme.

STI CASE MANAGEMENT

To ensure to the good implementation of STD activities, STD officers conducted monthly meetings on STI with TWG, revised STI management guideline for general population, developed and piloted the quality control system for lab in three clinics in Battambang, Banteay Mean Chey and Koh Kong Provinces.

Staff of the STD Unit were sent to facilitate and supervise the In-service training on STD case management for SWs at STD Clinics from 6 different OD in provinces such as BMC, OMC and PNP. This training were supported by CDC-GAP except KCM province supported by GFATM/PAO.

CONTINUUM OF CARE FOR PLWHA

Technical Assistance on implementation of HBC was provided to Takeo, Phnom Penh, and SVR provinces through the workshop by the AIDS Care Unit staff. AIDS Care officers went to Koh Kong to provide the TA on basic HIV/AIDS and UP workshop.

Orientation on CoC with launching in the CoC committee at Sampove Loun, Battambang province assisted by two AIDS Care Unit's officers.

CAPACITY BUILDING OF NCHADS STAFF

To build up the capacity of its staff in English language, NCHADS sent 21 of its staff to continued English training classes held at ACE.

PROGRAMME PLANNING, MANAGEMENT AND COORDINATION

TB coordinated with the stakeholders to prepare the 4th Round GFATM proposal for the Continuum of Care.

16 desktop computers, 16 UPS and 12 printers were supplied to facilitate the implementation of the DFID programme at the national and provincial level.

Copies of the quarterly reports were produced for submission to DFID, UNDP, NAA, MoH, provinces and others agencies.

To strengthen the management of programme activities at the provincial level, the NCHADS Accounting, Administration and Technical Bureau Staff conducted supervision visits to the provinces.

NATIONAL CENTER FOR HIV/AIDS DERMATOLOGY AND STDs
ACTIVITIES PROGRESS REPORT
JANUARY TO MARCH 2004

1. NATIONAL ACTIVITIES

1.1. TECHNICAL BUREAU

1.1.1. PLANNING AND RESOURCE MOBILIZATION UNIT

i Planning Activities

- ❖ Planning officers prepared an integrated annual and 1st quarter work plan for NCHADS and 24 provinces that incorporated activities and funding from all sources for year 2004.
- ❖ Planning Unit coordinated with all NCHADS units to set the targets for implementation of HIV/AIDS activities for 2004.
- ❖ Planning officers prepared MoU for 19 provinces supported by DFID project, except four ADB provinces and 1 CDC province.
- ❖ Coordinated 4th Round GFATM proposal for the CoC.

ii Training-Workshop Activities

- ❖ 21 NCHADS officers were enrolled in 1st term of English training course at ACE, Phnom Penh.

iii Meeting Activities

- ❖ Planning and Monitoring unit coordinated with all NCHADS units to review and update the Strategic Plan 2003-2007 (included drafting the revised sections of the strategic plan, TWG meeting for all program areas and components to review these drafts, final consensus workshop with all stakeholders to endorse it).

iv Administration Cost

- ❖ Maintenance of the office equipment, purchasing office supplies
- ❖ 16 DELL Desktops Computers, 12 HP LaserJet 1300 Printers and 16 UPS 1600 VA SUNPAC Power Backup was bought and supported for project implementation.

1.1.2. MONITORING, REPORTING AND EVALUATION UNIT

❖ DATA MANAGEMENT AND REPORTING

- MRE officers finalized National and Provincial Activities Progress Report for Quarter IV and Annual for year 2003, and distributed to MoH, NAA and donors. These reports also provided the feedback and lessons learned to NCHADS managers and provinces.
- MRE officers compiled units and provinces report for the 1st quarter report 2004.

STRENGTHENING MONITORING, REPORTING AND EVALUATION SYSTEM

- MRE officers collaborate with Head of technical bureau and others NCHADS technical officers in development of M&R Guideline for all units and provinces to be used during the supervision trips.

TRAINING-WORKSHOP-MEETING ACTIVITIES

- MRE Unit conducted two, 4 days workshop on strengthening Monitoring and Reporting with 30 participants from Units of NCHADS and 24 provinces. These workshop consisted of (i) concept of monitoring and evaluation, (ii) how to record the output, (iii) gaps and challenges of monitoring and reporting and (iv) introduce pilot database system for NCHADS monitoring and reporting to be used as pilot 3 to 6 months and then NCHADS will take this lesson learned to develop the national database system.
- MRE unit conducted the technical meetings bi-weekly with all units and chaired by Director of NCHADS. The objectives of the meeting consist of (i) general issues and solving problem, (ii) sharing information from the units, (iii) follow up from previous meeting, and (iv) any other business.
- Head of MRE unit participated in M&E meeting to finalize the TOR of MECC at NAA office.
- Head of MRE unit participated with GFATM M&E workshop conducted by PR/MoH at Intercontinental Hotel.
- Head of MRE unit participated with GFATM 4th round proposal for CoC components at NCHAD meeting room.
- Head of MRE unit to attend the HIV/AIDS consultation workshop for East and South-East Asia, Bangkok, Thailand. The contents of this workshop focus on three-core areas of UNFPA strategic such as (i) gender issues and pregnant women (ii) prevent HIV/AIDS among youth, and (iii) 100% condom use program.

MONITORING AND SUPERVISION

- One staff of MRE unit joined as a Team in supervision trips with Planning Unit and Finance unit to monitor the Project Implementation in Pailin, Prey veng, Koh Kong, Kandal, Phnom Penh, Banteay Mean Chey, Svay Rieng, Prey Veng, and Battambang province.

1.2. TECHNICAL UNITS

1.2.1. Behavior Change and Communication Unit

PRODUCTION OF MATERIAL

- Eight different types of IEC material consist of leaflets, posters and booklets are in the process of printing.
- 12 pieces of 3 different types of billboards were installed in
 1. **Phnom Penh**
 - Chroy Changva area
 2. **Kandal**
 - Kean Svay along the national road No 1
 - and Phnom Attarous along the national road No.5,
 - Kandal Stung area along the national road No. 2
 - Boat crossing of Prek Aon Chanh and Svay Att Villages along the national road No. 6 A,
 3. **Takao**
 - Along the national road No. 2 at Ang Tasom and Bekus
 4. **Kampong Speu**
 - At the corner of national road No. 4 and Ampai Phnom and Kirirum Resorts
 5. **Kampong Cham**
 - Cheung Prey area
 - And Tbong Khmom area

TRAINING-WORKSHOP-MEETING

- One-2 days training to identify IEC need for 24 participants from KRT, SHV, KCM, KPT, KDL, IEC action, RHAC, CHEMS and NCHADS units.
- BCC unit conducted five co-ordinations meetings for Outreach and per education activities held in Kg.Speu, Kg.Cham, Pailin, Battambang and Bathey Mean Chey.

MONITORING AND SUPERVISION

- The supervision visits on Peer Education and outreach activities, and 100% CUP were carried out by BCC officers in PNP & KDL, TKV, KPT & KEP, KSP & SHV and KCM & KRT, Seim Reap, Ordor Mean Chey, Kampong Thom, PreasVihea, Stoeung Treng and Ratanakiry.

1.2.2. STD UNIT

i. Prepare the guideline and training material

- ✦ STD officers conducted STI meeting monthly with TWG.
- ✦ The STD officers revised STI management guideline for general population.
- ✦ The STD officers collaborated with TB to identify drug and reagents needed for STD clinic.
- ✦ Developed and piloted the quality control system for lab in three clinics at in Battambang, Banteay Mean Chey and Koh Kong Provinces.
- ✦ Revised the Medical history Card for printing and distributed.
- ✦ Distributed computers, printers and others accessories to 8 clinics in 5 provinces (Phnom Penh, Pailin, Takeo, Pursat and Kampong Cham Provinces).

ii. Training-Workshop

- ✦ STD officers facilitated in the training on providing STD care for FSW at Kandal and Pailin city, Siem Reap provinces.
- ✦ During this quarter, staff of the STD Unit was sent to facilitate and supervise the In-service training on STD case management for SWs in STD clinics including 6 OD from different provinces such as BMC, OMC and PNP supported by CDC-GAP except KCM province supported by GFATM/PAO.

iii. Monitoring and Supervision

- ✦ Supervision visits to STD Clinics in PNP, KDL, KCM, KRT, TKV, KPT, KSP, SHV, PRV, RTK, STR, SRP and OMC.

1.2.3. AIDS CARE UNIT

i Training-Workshop Activities

- ✦ Three AIDS Care officers participated in 2-days workshop on identify of IEC need at NCHADS Training Room.
- ✦ One staff facilitated the workshop on home based care in TKO province.
- ✦ One staff facilitated the workshop on home based care in Svay Rieng province.
- ✦ Three staffs facilitated the workshop on home based care in Phnom Penh.
- ✦ Three staffs of AIDS Care Unit attended the workshop on planning in Phnom Penh.
- ✦ Two AIDS Care officers went to facilitate the workshop on basic HIV/AIDS and UP done to 20 health care workers in Koh Kong province.

- ✦ A workshop on the use of HBC guidelines done to 13 HBC staffs and one staff facilitated
- ✦ One 5-days training counseling course conducted in Q1-2004 and 4 staffs facilitate the meeting.
- ✦ Orientation on CoC with launching in the CoC committee done at Sampove Loun, Battambang province and facilitated by two AIDS Care Unit's officers.
- ✦ AIDS Care officers coordinated with planning officers to conduct the workshop on revision of strategies 2003-2007 and sharing experiences at NIPH-PNH.

ii Meeting Activities

- ✦ Two meetings conducted at NCHADS meeting room with involved HFBC partners and two staffs involved.
- ✦ Two meetings conducted at NCHADS with involved VCCT partners and two-three staffs involved.
- ✦ The VCCT inauguration ceremony done at MOUNG ROUESSEY BTB and 2 staffs of AIDS care unit joint
- ✦ A VCCT sub-committee meeting carried out by AIDS Care Unit at NCHADS
- ✦ Three meetings on the review of VCCT strategic planning for 2004-2007 conducted at NCHADS meeting room.
- ✦ Three meetings with NGO partners on preparation of coordinated proposal for fourth GFATM conducted.
- ✦ A steering committee for health facility based care (HFBC) planned to conduct monthly meeting.
- ✦ A network of home community based care (HCBC) established in Battambang province by KHANA in collaboration with NCHADS and one staff facilitated.
- ✦ AIDS Care officers prepared drafted quarterly work-plan and submitted.
- ✦ TB/HIV meeting was supported by CENAT and WHO.

iii Supplies

- ✦ VCCT officers prepared the specification for lab equipments, consumables, reagents were submitted to the procurement officers.

iv Monitoring and Supervision

- ✦ Two AIDS Care staffs carried out supervision for MOUNG RESSEY OD, Battambang province.

- ✚ Two AIDS Care staffs carried out supervision for BMC & PST provinces.
- ✚ Three staffs of AIDS Care Unit carried out integrated supervision for VCCT and HFBC in Pursat province.
- ✚ Two staffs of AIDS Care Unit carried out integrated supervision for HBC Sihaknouk Ville.
- ✚ Two staffs carried out supervision visit for HBC in Prey Veng province.
- ✚ One staff carried out supervisory visit to Kratie and Stung Treng province.

1.2.4. SURVEILLANCE UNIT

i Training-Workshop Activities

- ✚ Two surveillances officers attended the workshop on MAAP project baseline.
- ✚ Surveillance officer participated in the workshop on conceptualization of IEC material for HIV/AIDS.
- ✚ Surveillance officer participated in the training workshop on international rapid assessment, response and evaluation.
- ✚ Surveillance officers conducted workshop on dissemination of BSS VI result at Sunway Hotel. 24 provinces and others partnerships were participated with this workshop.

ii Meeting Activities

- ✚ Head of Surveillance unit went to join the surveillance conference at Ethiopia.
- ✚ Head of surveillance unit conducted the meeting on STI prevalence study with NCHADS-US-CDC and FHI.
- ✚ Head of surveillance unit participated with the health facility assessment meeting at NIPH.
- ✚ Head of surveillance unit met with FHI discussing on BSSV, BSSIV and HSS2002 report.
- ✚ Surveillance officers participated with the meeting on clinical trial by using tenofovir with DCSW.
- ✚ Surveillance officers have coordinated in development of STI prevalence study protocol.

iii Surveillance Activities

- ✚ Surveillance officers prepared to finalize the BSS report 2003.
- ✚ IT officer has prepared to establish the NCHADS website.
- ✚ Surveillance officer take part in data collection and entry for MAAP project baseline.

- Surveillance officers prepared the HSS1999-2002 specimens for quality control.

1.2.5. Research Unit

i Meeting Activities

- 13 meeting for NCHADS HIV prevention study and 5 meeting for Roche project.
- Research officer conducted the Community Forum on NCHADS HIV prevention study.
- Research unit conducted the CAG meeting to provide input on inform consent of NCHADS HIV prevention study.
- Research unit coordinated in construction of HIV/AIDS clinic.

ii Research Activities

- To develop TOR of 3 sub-research steering committee (Clinical, Epidemiological and Social behavior).
- Research officer presented the NCHADS HIV prevention study at HACC.
- To develop annual workplan for NCHADS HIV prevention study and sent out to UNSW and NCSF.
- Research officer joined the study tour on HIV vaccine trial and microbicide in Thailand.
- To prepare the invitation letter and sent to stakeholders for participating in community forum of NCHADS HIV prevention study.
- Research unit recruited 8 staff for NCHADS HIV prevention study.

HIV Prevalence among male and female VCCT clients (January to March 2004)

4. MOBILE STD CLINIC

Every month, two officers of National STD Clinic collaborated with PSF formulating as Mobile STD Clinic Team. This team has been working with female sex workers in target area in Phnom Penh. Female sex workers are easy access to get consultation and treatment with this mobile team.

5. TRAINING-WORKSHOP-MEETING ACTIVITIES

i. Meeting

- National STD Clinic officer participated in development on HIV/AIDS Care Training Manual, January 2004.
- National STD Clinic officer joined the strategic plan 2003-2004 on VCCT component at NCHADS.

ii. Training

- 🚩 National STD Clinic two officers went to Dalas, Texas, for joining the first part of clinical and laboratory training in January 2004.

iii. Workshop

- 🚩 National STD Clinic two officers went to Bangkok, Thailand, for joining the PCR workshop (Polymerase Chan Reaction) in January 2004.
- 🚩 National STD Clinic officer went to Singapore attending the workshop on Dermatology Update 2004.
- 🚩 National STD Clinic conducted the workshop on strengthening laboratory technique for National STD Clinic laboratory officers and provinces included Koh Kong, Sihaknouk Ville and Prey Veng.
- 🚩 National STD Clinic conducted the workshop on strengthening the treatment of dermatology for National STD Clinic laboratory officers and provinces included Koh Kong, Sihaknouk Ville and Prey Veng.
- 🚩 Two officers from National STD Clinic went to attend the workshop on leprosy at National Center for Anti-Tuberculosis.
- 🚩 National STD Clinic officer went to attend the workshop on care and support for HIV/AIDS and TB patients at National Center for Anti-Tuberculosis.
- 🚩 National STD Clinic officer participated in the workshop on HIV/AIDS knowledge, behavior and practice survey.

6. MONITORING AND SUPERVISION

National STD Clinic Officer went to Kampong Chhnang and Pursat Provinces for supervision visit on HIV laboratory testing.

2. PROVINCIAL ACTIVITIES

1. KOH KONG

1. IEC:

- Broadcasting of HIV/AIDS information through local cable TV, by 8 different spots that covered in Smach Mean Chey and Mondul Seima district. (15 sessions / day)
- Daily broadcasting of HIV/AIDS information through speedboat from Koh Kong - Sihanouk Ville with at least carrying 80 passengers.

2. Outreach:

- Outreach visits to Commercial Sex Service, fishermen, taxi drivers, Motodup, speedboat drivers in Smach Mean Chey and Sre Ambel.

Date	SWs	Fisherman	Moto-taxi & Taxi driver
January	322	220	180
February	322	220	180
March	322	220	180

- Two-3day Refresher training of 25 DSW and IDSW Peer educators.
- Monthly meeting for 10 POT
- Two 1-day meeting of 25 DSWs PE and IDSWs PE in Mondul Seima and Smach meanchey.
- One 3-day supervision trip on outreach activities by one POT staff to Sre Ambel OD.
- Two-1day meeting of 35 brothels and entertainment Owner in Smach meanchey and Sre Ambel.
- One-1day Technical coordination meeting with 15 participants from POT, CUMEC, CUWG and local authority.

3. 100% Condom Use Programme:

- Weekly meeting of 2 CUWGs in Sre Ambel and Smach Mean Chey.
- One-2day supervision of 2 CUMEC members to CUWG in Sre Ambel.

4. **STI Care:**

- One-3day field practice for 10 STD clinic staff from 2 STD clinics in SAB and SMC.
- Supervision of STD services to 7 HCs in OD Sre Ambel, and OD Smach Meanchey by OD coordinators and one-3day supervision to STD clinic in SAB by PAO in charge of STD.
- One-1day coordination meeting for 10 participants from 2 ODs, 2 STD clinics, PAO, and PHD.
- Attended the STI intensive training at National STI clinic, in Phnom Penh.
- Facilitated on STD training at OD Sre Ambel, supported by CARE.
- Attended the training course on Drugs management at OD Smach Meanchey, supported by CARE.

5. **UP:**

- One-3day training on basic information on HIV/AIDS and UP for 20 participants from RH and HCs.

6. **VCCT:**

- One-3day field practice for 4 VCCT staff at National STD clinic, in Phnom Penh.
- One VCCT staff attended the meeting on sharing experience on counseling in Battambang supported by CARE.
- One-3day mission to NCHADS to receive the VCCT reagents by one VCCT staff, funded by CARE.

7. **IC:**

- Two-1day meeting of IC network with 10 participants.

8. **CoC:**

- One-1day meeting for CoC committee with 25 participants.
- Attended the consensus workshop on Strategic Plan 2004-2007 for Care component and CoC exchange experience at NIPH, in Phnom Penh.

9. **Planning and Coordination:**

- One-3day Planning Workshop for year 2005, with 40 participants from PHD, PAO, OD, POT, CUMEC, CUWG, and NGOs.
- Support for English and Computer training for 5 PAO/PPU officers.

Other Activities:

- Attended the workshop on Health Facility Assessment in Sihanouk Ville, URC funded.
- Attended the Planning workshop for URC, URC funded.
- Attended the workshop on Condom Use and Reproductive Health Survey at NCHP.
- Attended the Dissemination workshop on BSS round VI at Sunway Hotel.
- Attended the workshop on HIV/AIDS education, organized by NAA.

2. BATTAMBANG**1. Outreach:**

- Outreach visits every month to 95 entertainment establishments.

	No of Places	No of SWs
01/04	95	605
02/04	94	612
03/04	95	604

- Three 1-day meeting for 10 POT
- Two 1-day meeting of DSWs PE and IDSWs PE.
- One 1-day meeting of Owner brothels.

2. 100% CUP:

- Weekly meeting of 6 CUWG members.
- Monthly meeting of 5 CUMEC members.
- Supply of 16,000 condoms for outreach visits, STD clinic and VCT.

3. STI Care:

 Monthly STD Caseload, STD clinic in Battambang in 2003

Date	Male (A)	Female (B)	DSW	IDSW	Total=A+B
01/04	17	109	121	14	123
02/04	25	109	121	20	134
03/04	26	100	136	26	126

4. Home Based Care:

The HBC teams members identified and provision of care and counseling to 130 patients every month.

5. VCCT:

a. VCCT activities in Battambang town:

Date	No of Male clients		No of Female clients		Total

March	19	5	45	10	64

3. Prey Veng

1. Outreach:

- Update mapping the sex services.
- Annual Orientation Training for POT, with 9 participants.
- Monthly Outreach visits to Direct and Indirect Sex Workers in 3 districts such as Mebon, Neak Loeung, Kampong Leav (56 places).
- One 1-day meeting with 58 brothels and entertainment Owners from Kampong Leav, Neak Loeung and Mebon district.
- One 1-day meeting with 125 Direct and Indirect sex workers PE
- Monthly meeting for 13 POT.
- 3 Supervision trips from PAO to OD for selected peer for PE and outreach activities in OD Preah Sdech, Measang and Prey Veng.

2. 100% Condom Use Programme:

- Weekly meeting of 12 members of CUWGs from Kampong Leav, Mebon, and Neak Loeung.
- Monthly meeting of 14 CUMEC/CUWG
- Supply of 15,000 condoms for 2 STD clinics, VCCT and outreach activities.

3. STI Care:

- Supervisions to OD Preah Sdach, OD Kampong Trabek, Mesang, Kamchay Mear, and Neak Loeung.
- Provision of mobile STD services to DSWs and IDSWs in Mebon.
- One-1day coordination meeting with 10 participants from STD clinic, OD, PAO, and PHD.
- Coverage of SWs in Kampong Leav STD clinic

Date	No of SWs register by CUWG	No of SWs attended in STD clinic	Coverage
January	73	52	71%
February	66	57	86%
March	NA	NA	%

Coverage of SWs in Neak Loeung STD clinic

Date	No of SWs register by CUWG	No of SWs attended in STD clinic	Coverage
January	77	58	75%
February	77	65	84%
March	NA	NA	%

4. Support Group:

No of Patients that Care by support Group in this Quarter in HCs:

	HC Kampong Leav	HC Popeuss	HC Prey Kandieng	HC Prek Ksay B	HC Prek Neak Loeung	HC Peam Ror
January	27	18	14	12	11	9
February	16	11	21	36	25	13
March						

5. CoC:

- Monthly meeting of CoC committee in Prey veng and Neak Loeung.
- Refresher Training of OI in for Referral Hospital staff, with 30 participants from Prey Veng and Neak Loeung.
- Monthly meeting of Technical Working group, in Prey Veng and Neak Loeung.
- Monthly meeting of MMM in Kampong Leave and Neak Loeung.
- Two-5day Training on Home Based Care for HBC team, with 50 participants.
- Support for transportation fee for 17 patients to VCCT.
- Supervision trips on HBC activities.

6. VCCT:

Monthly STD caseload in Kampong Leave (PVG) VCCT

7. Planning and Coordination:

- Support for training in English and computer to PAOs and PPU staff.
- Monthly supply for administrative and communication cost
- Monthly supply for stationary
- One 3- day missions of PPU accountant to NCHADS.

4. SVAY RIENG

1. IEC:
